9 AM Day Shift Awards Ceremony
Maintenance and Infrastructure

5 PM Swing Shifts Awards Ceremony
Maintenance and Infrastructure

10 PM Graveyard Shift Awards Ceremony
Maintenance and Infrastructure

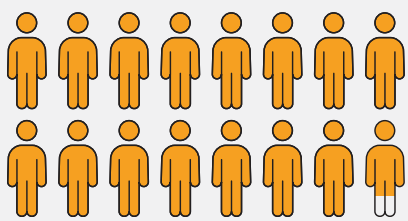

The Miles Traveled

LBT continued to make everyday life better this year by providing safe and reliable transportation to all our customers. Thank you to every employee who contributed to

connecting communities and moving people by working together. LBT accomplished a lot this year and we will continue to build back service for our customers.

Our Team is Growing!

A total of **79 new faces** joined our team so far this year!

 = 5 people

Connecting With Our Community

LBT volunteered and/or sponsored approximately 50 community events this year in our service area to build relationships and promote our services. Some of those events included a remote-controlled

LBT bus racing track at the Acura Grand Prix of Long Beach, launch of partnership with Moonlight Movies on the Beach, participation at the Long Beach Pride Parade and numerous school visits.

A look at some of LBT's milestones in 2022.

What We've Accomplished

There were many departments that collaborated on projects to expand LBT's service and increased ridership this year.

Our accomplishments in 2022 show that teamwork makes the dream work! Keep up the great work.

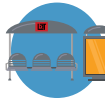

Launch of GoPass at LBCC and LBUSD

First year of year-round AquaLink service

On-Time Performance remains above LBT's goal of 85%

Installation of eight bus island shelters in downtown Long Beach

Added 14 Battery-Electric Buses (BEB) to the fleet

Continued growth of the newly added service in the City of Carson

The addition of Route 141

Training Hours

As efforts to onboard new employees and keep current employees up to speed on best practices continue, we put the training at the forefront of our operations.

Approximately
29,000 hours
of training sessions
this year.

The Miles Ahead

Our Fleet is Growing

As LBT continues our goal of a zero-emission fleet by 2030-35, we will continue to add more BEBs to our fleet. We have 20 35-foot BEBs coming in early 2023, bringing the BEB fleet to 44 buses.

Five new coach-style electric buses, which will be used for our special services, such as the UCLA/Westwood Commuter Express will be delivered in late 2023.

With new BEBs will come new charging stations next year.

We've got some exciting things to look forward to in 2023. Here are just a few.

Service Level

LBT is aiming to bring back our service level to 100% from our current 85%. Our biggest challenge will be Bus Operator resources, so we will continue to hire more Bus Operators. Spread the word, we're still hiring!

Passport

LBT's Passport service, which provides free rides to customers in the downtown Long Beach area, will return to operation this holiday season through January 16, 2023.

New Office Space in 2023

LBT is excited to expand its administrative office space to the Long Beach Transit Corporate Offices (LBTCO) next year, located at 4801 Airport Plaza Drive near Lakewood Boulevard and Clark Avenue.

2022 LBT Awards

LBT is proud to present the 2022 award recipients for

Years of Service Award

LBT's Years of Service Award honors employee loyalty and service. Employees receive a Years of Service Award beginning their fifth year as an LBT employee and are recognized every five years thereafter.

The Safety/Safe Driving Award is given to Operators and Maintenance workers who have been employed full-time for at least two years, have completed a minimum of 90% of scheduled work and have had no safety violations during the 11/1/21 - 10/31/22 award year.

Safety Award

Perfect Attendance Award

LBT recognizes that consistent attendance and punctuality are essential to providing quality transportation services to our customers. The Perfect Attendance Award is attained when an employee has no Attendance Incidents during 11/1/21 - 10/31/22 award year, this includes absences, tardies or miss-outs.

These awards highlight the loyalty, dedication and diligence of LBT employees who have invested their skills and expertise to LBT's mission of connecting communities and moving people... making everyday life better.

Congratulations to all award recipients!
