

LBT Newsletter

February 2023

MESSAGE FROM THE CEO

This year, 2023, will mark 60 years that Long Beach Transit (LBT) has connected communities and made everyday life better for the customers and communities we serve. Throughout the year, there will be different events marking LBT's diamond anniversary, including an employee event in the summer.

With much happening in 2023, the employee newsletter is changing. To foster employee engagement, the employee newsletter will now be bimonthly instead of quarterly and it will also feature more timely information. I look forward to celebrating LBT's 60th Anniversary with employees, the community and customers as we recognize the contributions of so many over the years.
