

# WELCOME ABOARD!

It is my pleasure to announce the selection of Apri Bondurant as Transit Analyst, reporting directly to Lee Burner, Executive Director/Vice President of Transit Service Delivery and Planning (TSDP). Apri assumed her new position on Tuesday, Jan. 7, 2025.

As Transit Analyst, Apri will focus on managing costs, aligning strategies, and developing budgets to ensure the financial sustainability of TSDP operations. Apri will also provide reports to support the department's overall objectives, which includes analyzing and reporting on fixed-route services, Water Taxi operations, Dial-A-Lift services, Requests for Proposals, Standard Operating Procedures, Key Performance Indicators (KPIs), and both operating and capital grants. She will be responsible for forecasting future revenues and expenditures.

Apri brings over three years of analytical experience to Long Beach Transit (LBT). Throughout her career, she has tracked project progress and KPIs, providing recommendations to improve. Apri has also provided data analysis and reporting services to a variety of customer service organizations, helping them optimize operations and elevate the customer experience. Her contributions led to the creation of performance dashboards and KPIs, enabling stakeholders to assess the impact and success of customer service efforts.

**Apri can be reached at extension 8490 or by email at [abondurant@lbtransit.com](mailto:abondurant@lbtransit.com). She is located at LBTCO at office 721.**

Please join the President and CEO, as well as the Executive Leadership Team, in welcoming Apri to LBT!

It is my pleasure to announce the selection of Derrick Rolen as Manager, Environmental, Health, and Safety (EHS), reporting directly to Elizabeth Brown, Executive Director/Vice President, Organizational Development and Administration (ODA). Derrick assumed his new position on Monday, Jan. 6, 2025.

As Manager, EHS, Derrick will be responsible for safety programs, employee safety, hazard mitigation, safety and environmental compliance, regulatory training, and program evaluation. He will also oversee regulatory compliance programs in accordance with the Federal Transit Administration (FTA). Derrick will manage and lead efforts related to Long Beach Transit's (LBT) System Safety Management System (SMS), applying regulatory processes defined by the FTA. Additionally, he will serve as LBT's safety oversight representative.

Derrick brings 14 years of experience in EHS to LBT. Most recently, he served as the Regional Safety Manager for Bodycote Thermal Processing, where he provided EHS leadership across six regional facilities. His focus was on managing and reducing workplace injuries, implementing accident prevention activities, and ensuring compliance with local, state, and federal regulations.

**Derrick can be reached at extension 8523 or by email at [drolen@lbtransit.com](mailto:drolen@lbtransit.com). He is located at LBTCO at office 744.**

Please join the President and CEO, as well as the Executive Leadership Team, in welcoming Derrick to LBT!
