

Password Requirements

Increasing your password's complexity and length improves the security of Long Beach Transit's (LBT) data and accounts. Together, we can protect our data by following the below practices and policies.

Minimum Password Requirements:

All passwords are required to be at least 15 characters long. Passwords must contain a minimum of:

- Three uppercase letters (A-Z)
- Two numbers (0-9)
- Two special characters (!@#\$%^&*()_+=[\]{};:'",.<>/?|`)

Excluded Words:

To prevent easily guessable passwords, the following words and their variations (pluralization, capitalization, etc.) are prohibited:

LBT, lbtransit, Cherry, Anaheim, Airport, Password

H0tSpr1ng\$w!nter2024

Did you know?

LBT employees must update their password every six months.

Consider changing your password

Your password will expire tomorrow. To change your password, press CTRL +ALT+DELETE and then click "Change a password".

Windows logon reminder

Additional Tips for Strong Passwords

1. Avoid using personal information: Don't include your name, birthday, address, phone number, or other personal details in your password.
2. Use a different password for each account: Never reuse the same password for multiple accounts.
3. Don't share your password with anyone.
4. Consider using a password manager: This can help you create and store strong, unique passwords for all your accounts.
