

WELCOME ABOARD!

It is my pleasure to announce the selection of Anagelly Badillo, as Senior Grants Accountant, reporting directly to Jenifer Maxwell, Manager, Capital Programs. Anagelly assumed her new position on Tuesday, Sept. 2, 2025.

Anagelly will oversee all grant and project accounting activities, working closely with project managers and various funding agencies. She will also be taking complex financial data and turning it into clear, actionable reports for stakeholders. She will aim to advance Long Beach Transit (LBT) in transparency, accountability and operations.

Anagelly comes to LBT with 15 years of experience in accounting and capital grants management. Most recently, she served as Divisional Government Contracts Director at the Salvation Army, where she oversaw finances for federal and state contracts. She also led the management of government contracts through their life cycles.

Anagelly can be reached at extension 8593 or by email at abadillo@lbtransit.com. She is located at LBTCO workstation 857.

Please join the President and CEO, as well as the Executive Leadership Team, in welcoming Anagelly to LBT!

WELCOME ABOARD!

It is my pleasure to announce the selection of Rhea Morillos as the Comptroller, reporting directly to Lisa Patton, Executive Director/Vice President, Finance and Budget. Rhea assumed her new position on Monday, Aug. 11, 2025.

Rhea will take on a leadership role in shaping Long Beach Transit's (LBT) financial direction, improving how we measure performance and ensuring our systems operate smoothly. She will use data to support decision making, ensure audit standards are met, and keep financial practices aligned with the agency's long-term goals.

Rhea has 19 years of experience in accounting and finance. Most recently, she served as a consultant to LBT's Accounting and Finance team, where she contributed to transitioning to new systems for resource planning and asset management, an effort that is still underway to help streamline financial processes. Rhea has also led training initiatives across departments, helped develop a centralized grants database, and oversaw year-end audit financial reports.
