

CONGRATULATIONS ON YOUR NEW POSITION!

It is my pleasure to announce the promotion of Destiny Rivera as the Community Relations Coordinator, reporting directly to Arantxa Chavarria, Manager, Communications and Marketing. Destiny assumed her new position on Monday, July 27, 2026.

Destiny will support community relations and communications efforts designed to promote a positive image of Long Beach Transit (LBT) and advance ridership goals. She will monitor community feedback and transportation-related concerns while implementing outreach initiatives to keep the community informed and engaged with LBT's services. Her responsibilities also include supporting special service planning, coordinating and participating in community meetings and events to gather feedback, developing outreach materials, and sharing information to encourage strong community engagement.

She joined LBT in April 2025 as the Communications and Community Relations Intern, where she supported communications and outreach initiatives. Her responsibilities included planning and coordinating content, supported outreach efforts and helped staffing at community events. She most recently served as Social Media Assistant at CSU, Dominguez Hills and helped with creating content, covered campus events, and assisted with planning campaigns. Additionally, she brings extensive community engagement experience, along with a strong background in customer service within the finance sector.

Please join the President and CEO, as well as the Executive Leadership Team, in congratulating Destiny on her promotion.
